

# NVR AD-N0481-PoE

## TECHNICAL SPECIFICATIONS

Model No:		AD-N0481-PoE (4-CH PoE NVR, Up To 8MP, 1 SATA (Max 6TB))
Video Input	Video Input	4CH 720P/960P/1080P/3MP/4MP/5MP/8MP
	Network Video Access Bandwidth	20Mbps
Audio And Video Output	HDMI Output	1 ch, HDMI interface; resolution: 4K / 30Hz;
	VGA Output	1 ch, VGA interface; resolution: 1920x1080P / 60Hz
	Audio Output	One 3.5mm headphone jack (optional), support HDMI audio output
Video And Audio Codec Spec.	Video Compression Standard	Standard H.265, H.264
	Replay Performance	4-Channel 8MP Recording, 1-Channel 8MP Playback; 4-Channel 5MP Recording, 2-Channel 5MP Playback; 4-Channel 3MP Recording, 4-Channel 3MP Playback; 4-Channel 1080P Recording, 4-Channel 1080P Playback
	Video Encoding Resolution	720P, 960P, 1080P, 3MP, 4MP, 5MP, 8MP Video Encoding
	Stream Type	Audio And Video Streaming / Video Streaming, Support Variable Bit Stream (VBR) / Fixed Bit Stream (CBR)

Model No:		AD-N0481-PoE (4-CH PoE NVR, Up To 8MP, 1 SATA (Max 6TB))
Video And Audio Codec Spec.	Audio Compression Standard	G.711
Video Management	Video Mode	Timing Recording, Motion Detection Recording
	Playback Mode	Regular Playback
	Backup Mode	USB Backup And Network Backup
HDD	Storage Type	Support 1 SATA Interface
	Storage	Each Interface Supports A Hard Disk With A Maximum Capacity Of 6TB
POE	Interface	4 RJ45 10M / 100M Adaptive Ethernet Ports
	Standard	IEEE802.3af
	Output Power	≤13W
External Interface	Network Interface	1 RJ45 100M Adaptive Ethernet Port
	USB Interface	2 USB2.0 Ports
Network Management	Internet Protocol	NTP, SADP, SMTP, PPPoE, DHCP
Others	Power Input	DC +48V
	Power Consumption	≤15W (Excluding Hard Drive)
	Operating Temperature	-10°C-+55°C
	Working Humidity	10%--90%
	Size	25.8x21x4.2cm
	Weight	≤1Kg (without hard drive)
